Personal Details

- Date of Birth : 02/06/2022

Skills

- Communication Skills
- Comprehensive Skills
- Leadership Skills
- Good Analysing

Objective

Attain the position of 'Web Developer' to implement my exceptional software development skills using new and improved technological tools and techniques for the development of the organization.

Education

2019-2023	B V RAJU INSTITUTE OF TECHNOLOGY, NARSAPUR B.Tech 7.9
2017-2019	Sri Chaitanya College, Tirupati Intermediate 972
2016-2017	Z P High School, Penagalur SSC 9.3

Projects

- **Water level controller using 8051 microcontroller**
Water level controller using 8051 microcontroller project will help in automatically controlling the water motor by sensing the water level in a tank. This system monitors the water level of tank and automatically switches on the motor whenever tank is empty. The motor is switched off when the tank is full. The water level of the tank is indicated on LCD. Using this system we can avoid the overflow of water.

Languages/Softwares

- Python
- JAVA
- C language

Certifications

- Coursera - Introduction to Power Electronics
- Coursera - Electrical Power Systems
- NPTEL - Soft Skills

Strengths

- Initiative, Self Motivated, Quick Learner, Patience, Work Ethic
- Ability to work individually as well as in group environment

Hobbies

- Playing Games, Listening Music, Watching Movies, Cooking
